

【 MITA SECURITIERS Trade Finance Fund Seminar 】

We will hold a seminar on the following schedule to introduce you to the attractive trade finance method, as one of the alternative investment methods.

【Fund characteristics / investment purpose】

- Through participating in African trade finance, The fund aims to contribute to smooth trade transactions, secure stable investment returns, and steadily grow assets under management.
- The fund aims to participate in African trade finance transactions, with 100% collateral backing each transaction, without direct commodity price exposure.
- The fund targets a 8% return (not of fees) with minimal volatility.

【Operation results】

- Since (February 2009), all monthly returns have been positive (2016: 9.24%, 2017: 8.01%, 2018: 7.25% in USD)
- Low volatility without direct commodity price exposure (past volatility of 0.2% or less)
